Vehicle distribution that utilize ESC

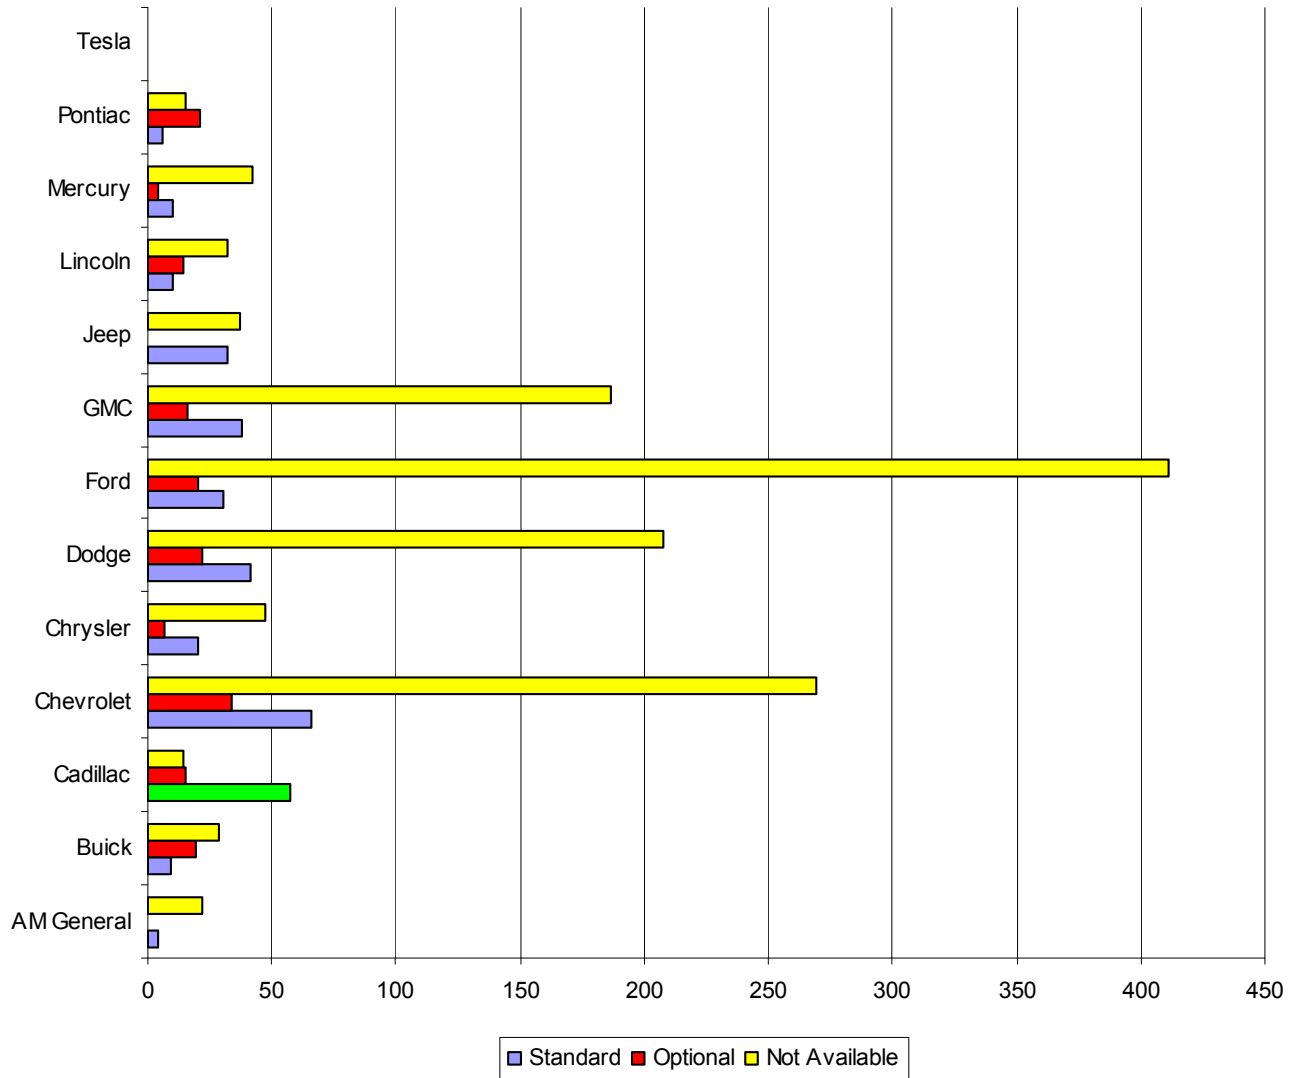

1996-2008

ESP Distribution

North American Vehicle Manufacturers ESC Distribution

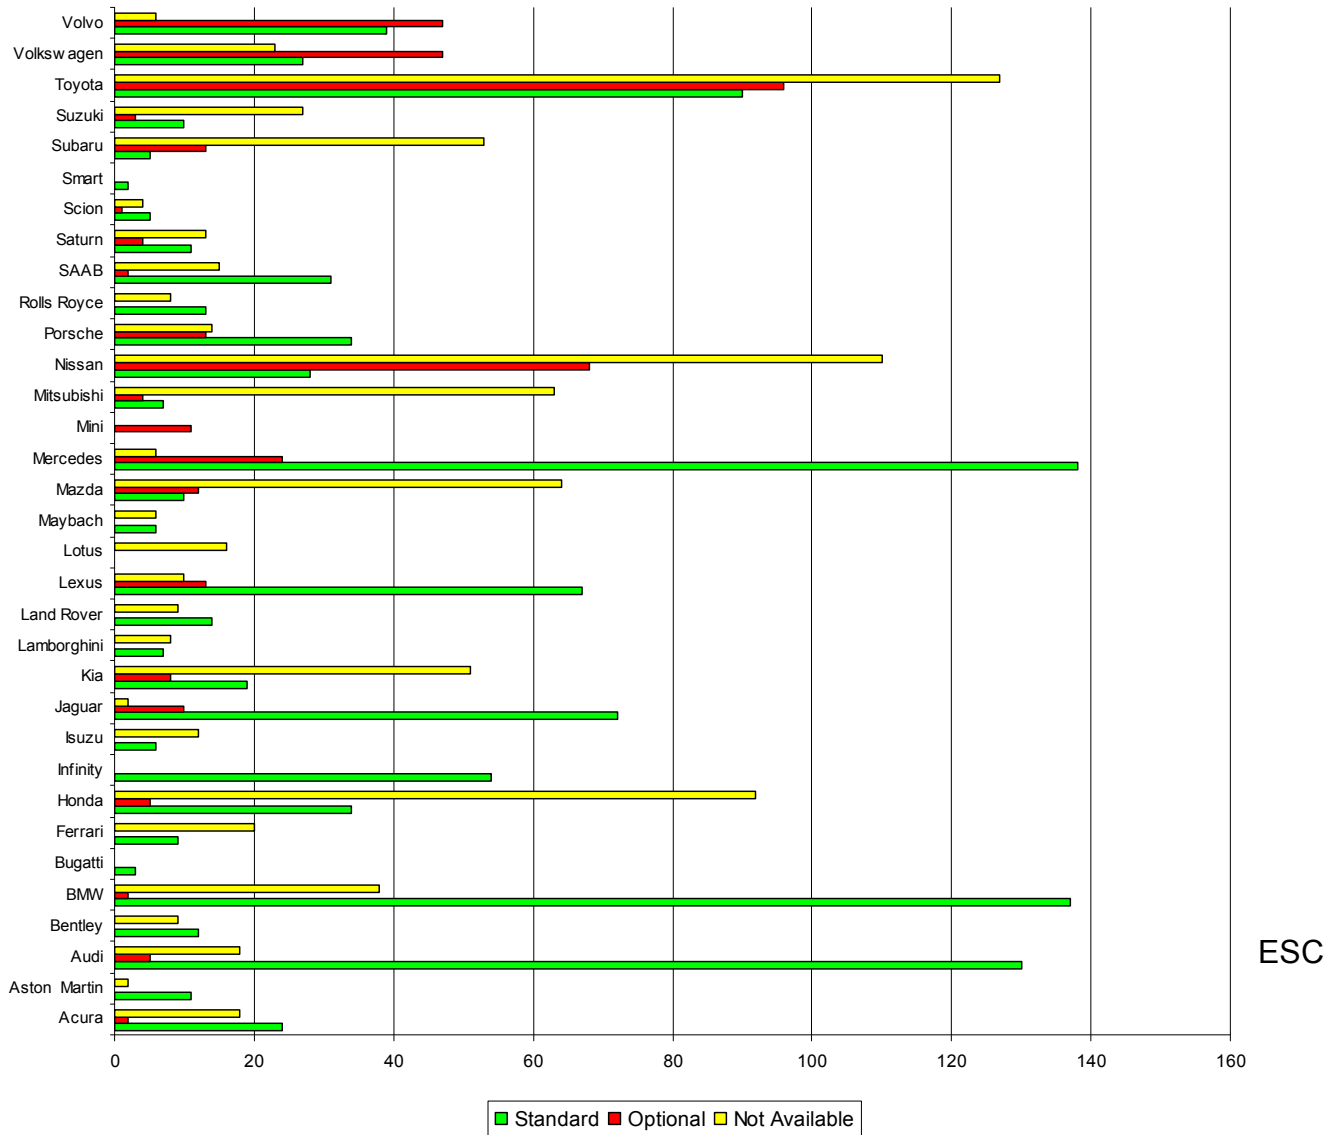

US Domestic Vehicles 1998-2008

Domestic vehicles account for the least amount of vehicles equipped with ESC. Pick up trucks account for the majority of US domestic vehicles sales and do not offer ESC systems.

Imported Vehicle Manufacturers ESC Distribution

Imported Vehicles from 1998-2008

ESC systems are widely available on Imported vehicles. European vehicles account for the majority of the integrated systems
